

VISIT THE BIRTHPLACE OF YOUR FAVORITE WINES

We invite you to discover three countries, one luxurious glass at a time. Uncover the distinct notes and flavors of Portugal, France, and Spain, as revealed to you by the rich and decadent wines of each region.

Take an overnight journey through Bordeaux, France, with two days of onsite learning about wine production, or travel to Porto, Portugal, and sample petiscos and Port in the scenic Douro Valley. Experience the foodie's playground of Bilbao, Spain, and the region's prize wine, txakoli — a light, aromatic white wine aperitif that pairs wonderfully with the city's seafood-forward tapas.

Whether your passion for viticulture is perfectly aged or just budding, each of these three voyages showcases the mighty grape in all its rightful glory.
